

SnipeCharts — 3-Month SEO Blog Execution Plan

Goal: Build authority, traffic, and trust in the Arab trading world by February 2026, inshaAllah.

The plan is consisting of 3 months each month contain 8 blogs, content will be posted twice a week.

Month 1: Awareness & Foundation

Goal: Introduce SnipeCharts as the first Arabic, Sharia-compliant analytical indicator — and establish authority in ethical trading and market logic.

Focus: Education, awareness, and curiosity around “ethical analysis.”
